Major General Wallace H. Graham, USAF
Physician to the President
The White House
Washington, D. C.

Dear Wallace:

I have your letter of May 12, 1952 regarding [redacted] 25X1
[redacted] We have no function in connection with his case except that the Immigration and Naturalization Service has asked us, as they do in such cases, to give them what information we have on the subject and this has been furnished them.

I note with some concern the comment in your letter to the effect that [redacted] believes that Mr. Wisner, who formerly represented his competitor, [redacted] will act adversely in this instance and that [redacted] believes Mr. Wisner is not above suspicion himself. I can assure you that Mr. Wisner is indeed above suspicion and that he has not been in any way concerned in our routine action in making the information in our files available to the Immigration Service. 25X1 25X1

Sincerely,

/s/ [redacted] 25X1
